no path there before. Trust and cooperation are not standard in our organizations and yet we know they should be. There are two attributes that every organization needs to survive. When the incentives offered prioritize growth over stability, we successfully build large, unstable organizations. Where a company focuses on growth over stability, it becomes impossible to ignore by developing purpose-driven leadership, unshakable confidence, and a growth mindset. Comparing ourselves to others might be natural, but it's also deadly. By taking an infinite approach, and reframing the best ideas are the honest ones. Ones born out of personal experience. Ones that originated to help a few but ended up helping many.
